

## Message from Aquarius Innovations

Dear Customer,

Aquarius Innovations Private Limited is one of the leading manufacturers of FRP products. We don't believe to sale our products only but we sale our value also. We have installed our FRP products to more than 1000 Customers since last 30 years. From last 3 years, Aquarius Innovations Pvt. Ltd. is getting glorious achievement for own manufactured FRP product range.

Our marketing strategy is not only to achieving the target but also to execute your order until you get satisfy and we provide our services whenever customer requires.

As far as FRP product is concern, our quality is best, our price competitive, our delivery is fastest, our service is instant, our execution is excellent, our durability is more, our manufacturing is your requirement, our product applicability is in all sectors, our customer care support is for 24 x 7.

Our company keeps product wise test certificate which is tested by our own QA/QC division. We are not called a Test Certificate only but we are called Trust Certificate because when we sale our FRP manufactured products to you, we give after sales services up to the product existence.

We believe first to execute and nurture your overwhelming enquiries for FRP Products. We would be glad if you are using our FRP products which is very trustable

Thanks.

Yours truly,  
Hiren Ruparelia
